Carl Circo, Christopher Little : A State-by-State Guide to Construction and Design Law: Current Statues and Practices before purchasing it in order to gage whether or not it would be worth my time, and all praised A State-by-State Guide to Construction and Design Law: Current Statues and Practices:

This is THE book you need if you're involved in multi-state construction and design projects. It outlines essential information about design and construction law and contracting in all 50 states plus DC and Puerto Rico. Information follows a standard format, offering quick comparisons of how different jurisdictions treat the same issue. Topics include licensing and regulation; mechanic's liens; financing; consumer protection; ADR; environmental matters; and

statutory and case law governing contracting practices.
