Trevor Rhodes : American Landlord Law: Everything U Need to Know About Landlord-Tenant Laws (American Real Estate) before purchasing it in order to gage whether or not it would be worth my time, and all praised American Landlord Law: Everything U Need to Know About Landlord-Tenant Laws (American Real Estate):

0 of 0 people found the following review helpful. Good info, forced into online purchase of documents and services to use their samples. By Hannah Excellent book and easy to understand and read. My dislike is that the included sample documents are write protected, forcing you to use their website and services if you want to take advantage of what is stated to be included. That includes using their credit check services which are hard-coded into the agreements, unchangeable. That really turned me off. Well written lease though, I must say. 0 of 0 people found the following review helpful. Very good book for starting out. By Svetlana Crawley Very good book for starting your rental business.

However, on the rental documents has some minuses like agreement clauses are not perfect missing info.0 of 0 people found the following review helpful. A good resource!By RuffslitchA useful addition to my landlord library. Between this book and the internet landlords ought to be able to avoid most of the pitfalls of real estate management.

Turn to AmerUSA for your real estate answers AMERICA'S LEADING RESOURCE FOR REAL ESTATE INFORMATION A new series that meets your needs-whether you're an investor, home buyer, landlord, or tenant Whether you rent, own, invest in, or manage real estate, Trevor Rhodes has the answers you need.
