Jon Schutz : An Overview of Utah Water Rights Law before purchasing it in order to gage whether or not it would be worth my time, and all praised An Overview of Utah Water Rights Law:

Jon Schutz immediately fell in love with water law during law school when he read the book Cadillac Desert. Still enthralled by the history, politics, and conflicts associated with water use in the West, he has put together this

overview of overview of the subject as it pertains to Utah. This book is not meant to be an exhaustive discussion of the subject. In fact, it attempts to toe the line between being a thorough and accessible guide to water users and managers while not getting lost in the minutia of water law.

About the AuthorJon Schutz is a water rights and environmental law attorney at Mabey Wright James, in Salt Lake City. He represents cities, irrigation companies, public agencies, individuals, and businesses before the State Engineer and in state and federal courts. He is licensed in Utah and California.
