Theodore P. Kovaleff : Antitrust Impulse: An Economic, Historical and Legal Analysis (Columbia University Seminar) before purchasing it in order to gage whether or not it would be worth my time, and all praised Antitrust Impulse: An Economic, Historical and Legal Analysis (Columbia University Seminar):

Many political leaders declared that government was, in the words of Ronald Reagan, "the problem, not the solution." This work argues that the revolt against "government" was and is a revolt against bureaucracy - a revolt that has taken place in first world, developing, and avowedly communist countries alike.
