Peter J Spiro : At Home in Two Countries: The Past and Future of Dual Citizenship (Citizenship and Migration in the Americas) before purchasing it in order to gage whether or not it would be worth my time, and all praised At Home in Two Countries: The Past and Future of Dual Citizenship (Citizenship and Migration in the

Americas):

In this timely, historical-analytical explication, Spiro expertly explains the provocative concept of dual citizenship.- Choice Connect "Peter Spiro's erudite and crisply written book on dual citizenship will help any reader better understand business and life generally in the global economy. The definitive work on its topic, *At Home in Two Countries* deserves a broad audience. It will provoke important debate."-Paul M. Barrett, Senior Writer, Bloomberg Businessweek "A lively and learned exploration of dual nationality and its future. Professor Spiro's book illuminates the forces that make the spread of dual nationality seem inevitable, and the advantages it provides both to individuals and to states. His telling examples humanize the subject, but he also conveys eloquently how globalization dilutes older ideals of citizenship."-Gerald L. Neuman, J. Sinclair Armstrong Professor of International, Foreign, and Comparative Law, Harvard University "Peter Spiro has been the leading scholar of dual citizenship for more than two decades, and he has prophetically linked its rise to still more far-reaching transformations in the global system of nation-states and nation-state citizenship. This provocative yet engaging work is a major statement that will inform and influence citizenship scholarship and political debates for many years to come."-Rogers M. Smith, Christopher H. Brown Distinguished Professor of Political Science, University of Pennsylvania "Spiro's book makes an important contribution to the study of citizenship in general and of dual citizenship in particular."-International Migration About the Author Peter J. Spiro is Charles R. Weiner Professor of Law at Temple University. His work has appeared in *Foreign Affairs*, *The New York Times*, *The Wall Street Journal*, and *Slate*, among many other publications. A former U.S. Supreme Court law clerk and National Security Council staff member, he is also the author of *Beyond Citizenship: American Identity after Globalization*.
