NOTE: NO FURTHER DISCOUNT FOR THIS PRINTED PRODUCT- OVERSTOCK SALE -Significantly reduced list price By John P. Geis, et al. Provides essays about China's future. Predicts that within the time frame covered in this monograph, China will supplant the United States as the greatest economic power on Earth. While its military capabilities are expected to lag slightly behind, by 2030 China will be, for all practical purposes, a peer of the United States in terms of its ability to influence interactions within the nation-state system. Military, academia, lawmakers, and policy analysts may be interested in this volume. High school to graduate students pursuing coursework in global studies, especially China Studies classes may also find this reference useful.
