Martin D. Abravanel : Do We Know More Now? Trends In Public Knowledge, Support And Use Of Fair Housing Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Do We Know More Now? Trends In Public Knowledge, Support And Use Of Fair Housing Law:

The federal Fair Housing Act defines basic obligations, protections, and enforcement provisions pertaining to housing discrimination in the United States. Although enacted in 1968, it was not until 2001 that we learned the extent of the general public's awareness of and support for this law and the degree to which persons believing they were victims of

housing discrimination sought to take advantage of its enforcement provisions. This report documents what we have learned since that time, based on new information.
