Mary Randolph : Dog Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Dog Law:

2 of 2 people found the following review helpful. Essential Item for Dog OwnersBy TXFireFighterThis book should be a must-read for every dog owner. It is a great reference, whether you are in the middle of a dispute or just want to mitigate potential issues.I did not plan on reading cover-to-cover, but during a long wait at an auto dealership, I delved in. While a book like this cannot cover every piece of legislation for every municipality and every State, this book succeeds at giving you examples and references. While calling the police or filing a lawsuit in response to a dog issue may seem like the easy way, NOLO shows you all of the options you have at your disposal and in what order they should be applied.Learn about: Licensing, leash laws, lost and found dogs, animal burial restrictions, sales agreements when buying, landlord liability, health insurance, veterinary malpractice, traveling with your dog, talking to your neighbors about barking dogs, Animal Control Authorities, small claims court, assistance dogs, when killing a dog is

justified, when your pets outlive you, dog bites, and much more. A practical, easy-to-read guide on the benefits, requirements, and liabilities of owning a dog. 0 of 0 people found the following review helpful. A Review of Every Dog's Legal Guide: A Must-Have Book For Your Owner By JP B All the info one needs to make an informed decision as a when to involve an attorney as owner or non-owner of a dog. In Maine there a few penal laws dealing with injury from dog bites as long the dog bites one on the owners property. But it is important to know what is possible civilly. A very informative and well-written book. 1 of 1 people found the following review helpful. a Book that is a MUST HAVE for all dog Owners By SHELLY This seller comes highly recommended, what an awesome book. It has taught me a lot I did not know about dog laws. The seller sold me this book as promised, I could not be more pleased!

America's estimated 50 million dogs are governed by laws. Completely updated to reflect the most recent legal changes, this revised third edition of a very helpful handbook answers common legal questions about biting, barking, veterinarians, leash laws, travel, landlords, wills, guide dogs, pit bulls, cruelty, and much more.

.com Dog Law offers a comprehensive look at the legal ramifications of dog ownership and functions as a guide to dispute resolution for problematic dog behavior. Well organized by topic, there are answers to just about any question one might have, from dog biting to landlord relationships, from leash laws to dog burials. Dog owners who read this book will save time, money, legal hassles, and possibly even a beloved dog's life. "An interesting look at how the law affects dog owners and their relations with the community." -- The Philadelphia Inquirer "Gathers wealth of information in a coherent, easy-to-follow format, answers many common questions, and offers numerous practical tips and suggestions." -- Pet Advisor "Stresses ways to resolve conflicts without lawyers and the courts." -- The Wall Street Journal From the Publisher First published in 1988, the 6th edition is completely updated to reflect the law of today's world, and includes more information on service dogs in the workplace and providing for dogs in a trust.
