Nicholas Paul, Richard Croly : EC Insurance Law (European Practice Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised EC Insurance Law (European Practice Library):

The clear explanations presented give you guidance on both the present status of the European Community law and on all current proposals in the insurance sector. Included are detailed explanations of the limitations to harmonization and mutual recognition under the present guidelines and the scope of liberalization to come. You get a rsum of all directives and proposals affecting the insurance industry as well as the complete text of the principal legislation.
