Peter Wendel : Emanuel Law Outlines: Wills Trusts Estates, Third Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Emanuel Law Outlines: Wills Trusts Estates, Third Edition:

0 of 0 people found the following review helpful. Five StarsBy CustomerThe depth of emotion in this outline is truly incomparable. A life-changing experience.0 of 0 people found the following review helpful. Great supplement!By DennisGreat book for review! Wouldn't use it as a primary source of learning the material, but it provides all of the old and new rules.2 of 2 people found the following review helpful. For the Dukeminier Wills, Trusts, Estates casebook, get the PREVIOUS edition of this Emanuel OutlineBy CycledudeIf you're using the Dukeminier Wills, Trusts, Estates 9th edition casebook, be aware that this Emanuel Outline is keyed to other casebooks but NOT to the Dukeminier. The previous Emanuel Wills Trusts Estates Outline (2010 edition - purple cover) is keyed exclusively to the Dukeminier 8th edition, but still covers over 90% of the cases in the Dukeminier 9th edition that were on my syllabus (which was pretty comprehensive), and was still extremely helpful. This outline, by contrast, included fewer than 10% of the cases

in the Dukeminier 9th edition that were on my syllabus. (No, I didn't check the cases that weren't assigned. I'm in law school.) The only topic in which this edition (green cover) included more cases than the previous edition (purple cover) from Dukeminier 9th edition was the topic of Admission of Extrinsic Evidence. If you're using the Dukeminier 9th edition, I'd suggest getting the 2010 edition of Emanuel and when you get to the Admission of Extrinsic Evidence, just borrow your law library's copy of this 2012 edition for those pages.

The most trusted name in law school outlines, Emanuel Law Outlines support your class preparation, provide reference for your outline creation, and supply a comprehensive breakdown of topic matter for your entire study process. Created by Steven Emanuel, these course outlines have been relied on by generations of law students. Each title includes both capsule and detailed versions of the critical issues and key topics you must know to master the course. Also included are exam questions with model answers, an alpha-list of cases, and a cross reference table of cases for all of the leading casebooks. Emanuel Law Outline Features: #1 outline choice among law students
Comprehensive review of all major topics
Capsule summary of all topics
Cross-reference table of cases
Time-saving format
Great for exam prep
