George A. Rutherglen : Employment Discrimination Law: Visions of Equality in Theory and Doctrine (Concepts and Insights Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Employment Discrimination Law: Visions of Equality in Theory and Doctrine (Concepts and Insights

Series):

Law school casebook intended as an introduction to the field of employment discrimination law, both at the abstract level of theory and at the concrete level of doctrine. As much an introduction for experienced lawyers and scholars who come to this field with a thorough knowledge of other aspects of the law as for law students who have just begun preparing for their careers.
