**Ariel Ezrachi : EU Competition Law: An Analytical Guide to the Leading Cases (Fifth Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised EU Competition Law: An Analytical Guide to the Leading Cases (Fifth Edition):

0 of 0 people found the following review helpful. Brilliantly orgnaized and deeply analyticalBy zaiThis book is brilliant and surpasses others primarily because the author assembled the materials into a reasoned structure which allows the reader/student to understand the topic through an examination of cases. The author provides an analytical discussion of each topic and the issues involved and the evolving jurisprudence. I would highly recommend this book to practitioners, academics, and students of competition law.

'This book is especially valuable for competition law specialists in Europe and abroad who are interested in the jurisprudence and policy of the European Union and its member states. Familiarity with the European regime is essential for proficiency in competition law today, and this volume provides an excellent foundation.'--William E Kovacic, Global Competition Prof. of Law and Policy, George Washington U. Law School, Former Chairman, U.S. Federal Trade Commission \*\*\*This book is designed as a working tool for the study and practice of European Competition Law. It is an enlarged and updated fifth edition of the highly practical guide to the leading cases of European Competition Law. This new edition also contains detailed coverage of State Aid law. Each chapter begins with an introduction which outlines the relevant laws, regulations, and guidelines for each of the topics, setting the analytical foundations for the case entries. Within this framework, cases are reviewed in summary form, and accompanied by analysis and commentary. This seminal text is essential reading for competition law students and practitioners. [Subject: European Law, Competition Law]

About the Author Ariel Ezrachi is the Slaughter and May Professor of Competition Law at the University of Oxford and the Director of the Oxford Centre for Competition Law and Policy. He is a Fellow and Tutor in Law at Pembroke College, Oxford.
