Alison Jones, Brenda Sufrin : EU COMPETITION LAW: TEXT, CASES MATERIALS (Text, Cases and Materials) before purchasing it in order to gage whether or not it would be worth my time, and all praised EU COMPETITION LAW: TEXT, CASES MATERIALS (Text, Cases and Materials):

EU Competition Law: Text, Cases, and Materials provides a complete guide to European competition law in a single authoritative volume. Carefully selected extracts from key cases, academic articles, and statutory materials are accompanied by in-depth commentary and critique from two experienced academics in the field. Thorough footnoting and referencing give a tour of the available literature, making this and ideal text for undergraduate and postgraduate

students, as well as competition law scholars engaged in specialized study. Online Resource CentreThe text is accompanied by an online resource centre containing an additional chapter on State Aid, an interactive map and timeline of the EU, web links, and updates in the law.
