From Claeys Casteels Publishing : EU Competition Law Volume II, Mergers and Acquisitions: (Second Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised EU Competition Law Volume II, Mergers and Acquisitions: (Second Edition):

Written by the key European Commission and European Court officials, this unique book - with its detailed analysis

and comment - provides the most exhaustive analysis of EU merger law. This second edition also offers unique insight and guidance into the way that Commission officials approach cases in practice. Contents include: jurisdiction * definition of the relevant market * dominance: significant impediment of competition * ancillary restraints * procedure * remedies * judicial review * international cooperation * merger control in specific sectors (banking, insurance, financial services, media, telecom, energy, and transport).
