From Hart Publishing : European Competition Law Annual 2006: Enforcement of Prohibition of Cartels before purchasing it in order to gauge whether or not it would be worth my time, and all praised European Competition Law Annual 2006: Enforcement of Prohibition of Cartels:

This is the eleventh in the series on EU competition law and policy produced by the Robert Schuman Centre of the European University Institute in Florence. The volume reproduces the materials from a roundtable debate which examined the enforcement of the prohibition on cartels. The workshop participants - senior representatives of the Commission and of the national competition authorities of some EC Member States, renowned international academics, and legal practitioners - discussed the economic and legal issues that arise in this particular area, including the unearthing of cartels - the evidence, the institutional framework, and the tools of enforcement.

About the Author Claus-Dieter Ehlermann is Senior Counsel with Wilmer Cutler Pickering Hale Dorr LLP in Brussels, former Professor of EC Law at the European University Institute in Florence, and former Director General in both the Competition Directorate and Legal Service of the European Commission. Isabela Atanasiu is Marie Curie Research Fellow at the Centre for Political and Constitutional Studies (CEPC) in Madrid; until December 2006 she was Research Fellow at the Robert Schuman Centre for Advanced Studies of the European University Institute in Florence.
