Helped me pass Community PropertyBy TW6The book did a very good job of covering the material and provided examples that helped reduce complicated material to something that was easily digested. I would recommend this book for anyone that wants a supplement or replacement to the hornbook.0 of 0 people found the following review helpful. Seems to be a good study guideBy DziliziI do better

listening to my textbooks. So when they assigned a Gilbert outline with no Kindle version, I went for this. I don't know if it is the best one for the subject, but I have "listened" to it once so far, and it is good at what it says it is - example and explanations of community property law. 1 of 1 people found the following review helpful.
