It's clearly written, easy to understand and damn useful. Like most EE's. But it's not going to cover everything, just provide the building blocks, I definitely needed to go back and review my notes/book to fill in gaps and all that extra minutiae professors throw in. In the end, I recommend it.0 of 0 people found the following review helpful. Too many typos to count...By esquireThe third edition

of the Community Property EE is riddled with typos. It is very clear that some of the numbers used in the Examples were updated in this edition, but those updates did not translate to the Explanations. When I buy an Examples Explanations, I expect more from Aspen Publishers. I'd like to be able to confirm my own work product, not correct theirs. Perhaps try the second edition if you want a better edited read. 0 of 0 people found the following review helpful. Five Stars By CustomerGreat! - clear and concise!
