William Funk, Jeffrey S. Lubbers, Jr Charles Pou : Federal Administrative Procedure Sourcebook before purchasing it in order to gage whether or not it would be worth my time, and all praised Federal Administrative Procedure Sourcebook:

This book provides explanations of the key procedural laws and presidential directives that apply across-the-board to

federal agencies. It contains all the significant statutes, Executive Orders, memoranda, and other materials relating to the major aspects of administrative law and regulatory practice. In addition to the primary sources, this volume includes pertinent legislative history, bibliographies of related sources, and the editors' insightful commentary on each of the source documents.
