0 of 0 people found the following review helpful. ExcellentBy Dan VaughnThis book demonstrates this author's dedication to the field of real estate investment. Clearly a composition of multiple influences with a vast accumulation of knowledgeable professionals.1 of 1 people found the following review helpful. The Bible of Apartment AquisitionsBy A. RosenthalReads like a text book with no fluff unlike most other books on the market.31 of 33 people found the following review helpful. Wow! Lots of forms and info...By A CustomerThis is a book for seasoned investors, brokers, and syndicators. It contains several hundred forms and checklists that will make sure you never forget an important element of the buying and selling process. However, it is not a "stand alone" book on real estate investing, but a book designed to accompany other texts on the subject.

With this revised and expanded Real Estate Investment Acquisition Workbook, Second Edition in hand, the novice and the professional will be guided step-by-step through all the processes, from analysis to financing to buying, involved in real estate acquisition. Here are all the tools required to make a successful investment: the strategies, pitfalls, case studies, updated forms, checklists, sample contracts, and model letters.
