review helpful. Robert Kennedy juniorBy CustomerI really enjoyed this book I love anything to do with the kennedys so I felt it gave me plenty of information about Robert Kennedy junior I gave it four stars the reason I didn't give five is I would have liked a bit more information on how he is doing today especially with his voice getting so weak

From New York Times bestselling author Jerry Oppenheimer comes a sensational biography of the son of the legendary Senator and troubled standard bearer of America's most fabled political dynasty. Robert F. Kennedy Jr. inherited his assassinated father's piercing blue eyes and Brahmin style, earning a reputation as the nation's foremost environmental activist and lawyer - the "toxic avenger" - battling corporate polluters. But in this, the most revelatory portrait ever of a Kennedy, Oppenheimer places Bobby Jr., leader of the third generation of America's royal family, under a journalistic microscope. Based on scores of exclusive, candid on-the-record interviews, public and private records, and correspondence, Jerry Oppenheimer paints a balanced, objective portrait of this virtually unaccounted-for scion of the Kennedy dynasty. Like his slain father, the iconic senator and presidential hopeful, RFK Jr. was destined for political greatness. Why it never happened is revealed in this first-ever biography of him.

Jerry Oppenheimer delves into Bobbys upbringing or lack thereof to understand why the scion of our greatest political family has never accomplished much. Oppenheimer contrasts Bobbys upbringing to that of John F. Kennedy Jr. The New York PostA bombshell unauthorized biography tells the haunting past that kept Kennedy from following in his fathers footsteps. New York Daily News"A fascinating portrait . . . For Kennedy watchers, and they are legion, this is an engrossing, nuts-and-bolts view of a tragic upbringing." Booklist"A harrowing tell-all biography of one of the political dynastys most controversial members . . . highly readable." Toronto StarFollowers of the dark side of the Kennedy legacy will want to read Jerry Oppenheimer's RFK Jr. and take in its treasure trove of new revelations. They will not be disappointed. David Horowitz, author of the groundbreaking The Kennedys: An American Drama (with Peter Collier ) and acclaimed biographies of the Rockefellers, the Fords, and the RooseveltsJerry Oppenheimer has created a poignant and vivid portrait of Bobby Kennedy Jr. who was born to wealth and privilege but without love in his childhood. RFK Jr spent the rest of his life fighting his demons and addictions. Leonard Levitt, Edgar Award-winning author of Conviction: Solving the Moxley MurderThis latest unauthorized biography from Oppenheimer...focuses on [Robert F. Kennedy, Jr.'s] long track record of bad behavior, including infidelity and substance abuse....[A] story of a flawed son of a flawed family.
