**James A. Peterson, Bruce B. Hronek : Risk Management for Park, Recreation, and Leisure Services** before purchasing it in order to gage whether or not it would be worth my time, and all praised Risk Management for Park, Recreation, and Leisure Services:

The purpose of this book is to develop an awareness of legal liability among leisure service providers and to aggressively take the lead in managing risk within their organisations. In addition, risk management provides a method for offering quality leisure experiences with maximum protection for participants and adequate safeguards under the law for leaders, administrators, and organisations offering the recreation services.
