Donna M. Nagy, Richard W. Painter, Margaret V. Sachs : Securities Litigation and Enforcement:Cases and Materials (American Casebook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Securities Litigation and Enforcement:Cases and Materials (American Casebook Series):

Designed to suit a variety of two or three credit courses and seminars, the casebook is being used to teach (1) courses in "securities litigation" that examine litigation topics under the Exchange Act and the Securities Act; (2) courses in

"securities enforcement" that center on SEC and criminal enforcement, market manipulation, insider trading, and the professional responsibilities of attorneys and accountants; and (3) more specialized courses or seminars that build around the theme of "current topics in securities litigation."
